At Kingsley House, we envision a city and region where all young children are ready to succeed and all citizens are healthy and economically stable. Recognizing that vulnerable families are at-risk of being caught in an intractable cycle of poverty, we are committed to the eradication of poverty for those we serve, our city, state and region. Through our comprehensive array of nationally accredited services and strong community partnerships, we work to improve the quality of life in the Greater New Orleans area by connecting individuals and families to resources that support personal growth, enhance knowledge, increase awareness, promote stability and ensure their overall health and well-being.

Every life changed at Kingsley House begins with YOU!

And, now, through “Kingsley House Champions,” a new monthly investment opportunity, you can help change lives in a sustainable way.

With a simple monthly contribution to Kingsley House Champions, you will help build a strong, productive community in which all families succeed and thrive.

Our Champions program makes it easier and more affordable for you to support Kingsley House’s mission. You determine the amount you wish to give each month and you can adjust your support at any time. Monthly gifts at the following levels will improve the health, well-being and success of our participants in the following ways:

- **$25** provides 6 vulnerable Preschool students with a healthy and nutritious meal
- **$50** provides a medically fragile adult or senior with a full day of comprehensive Adult Day Health Care services
- **$100** provides a struggling individual or family with an intensive counseling and support session
- **$250** provides an economically challenged parent with job training needed to achieve self-sufficiency and independence
- **$500** provides 250 at-risk summer campers with transportation for field trips to interesting and exciting places

As a Champions member, you will receive monthly updates, access to exclusive gatherings with Kingsley House leaders, and special communications to help you build meaningful connections with the children and families whose lives you are positively changing.

You can use Visa, MasterCard, Discover, American Express or your checking account to make automatic monthly donations. The use of automatic deductions allows us to reduce administrative costs on things like printing and postage. The cost savings that you help create means the programs you support benefit people in need that much more.
