**About Kingsley House**

Kingsley House's mission is to educate children, strengthen families and build community. In 2020, more than 8,000 people received early learning services, adult day care, career pathways programming and community and supportive services from Kingsley House. At Kingsley House, we envision a city and region where all young children are ready to succeed and all citizens are healthy and economically stable. Recognizing that vulnerable families are at risk of being caught in an intractable cycle of poverty, we are committed to ensuring that individuals and families have the supports necessary to be successful at all stages of life. To accomplish our goals, we join forces with dedicated community partners. Collectively, we work with families to fuel economic growth and social change in our city, state and region. Kingsley House is a proud United Way Community Impact Partner. For more information about Kingsley House visit [www.kingsleyhouse.org](http://www.kingsleyhouse.org)
